Wood Brook Condominiums Management Report

<u>Delinquency Status:</u> At the end of December, the total outstanding dues owed to the HOA were \$1,264.75. The total outstanding dues owed to the HOA as of today is \$1,039.60, and four accounts make up this total balance. Beal will continue to make every effort to collect the past due amounts from the Delinquent Homeowners.

Violation Status: There are currently no Violations to report.

<u>Maintenance Report:</u> As of today, there are currently a few work orders that Beal would like to bring to the attention of the board for future projects.

<u>Parking Lot Repairs:</u> The board has requested that Paving Rite provides Beal with professional references on any work they have completed for other companies. Beal would like to know if the board would like to proceed with scheduling the repairs.

<u>Chimney Caps:</u> Grandchamp Roofing has provided an updated estimate for repairing the chimney caps at the complex.

<u>Sidewalk Striping or Repair</u>: Beal has noticed a few areas on the sidewalks around the complex that could possibly be a cause of concern for residents/guests. We would like to know if the Board would like to get these areas painted as caution or repaired to level the sidewalks.

<u>Water Main Box Repair:</u> There has been ongoing leaks occurring at the entrance of the complex due to the water main box overflowing with water and rotting the pipe fittings inside the box. Beal has received a recommendation from a plumber to place concrete inside the box to stop the water from rotting out the fittings and we also have a meeting with the city for their recommendation on Wednesday, January 25th at 9:30am.
