Additionally, individuals may be nominated that are not named on this ballot. If you would like to cast an absentee vote for someone not listed on this ballot, feel free to write in their name(s) on one of the blanks above. By casting your vote via absentee ballot, you will forgo the opportunity to consider and vote on any action from the floor if a meeting is held. This means that if there are other nominees or proposals your votes will not be counted on the final vote on these measures. You may submit an absentee ballot and later choose to attend any meeting in person, in which case any in-person vote will prevail
