WOOD BROOK HOMEOWNERS' ASSOCIATION
BOARD OF DIRECTORS MEETING
BEAL PROPERTIES INC.
3363 University Dr E Suite 215 Bryan, TX 77802

MINUTES OF THE WOOD BROOK HOMEOWNERS' ASSOCIATION BOARD OF DIRECTORS MEETING

Date and time: Pursuant to Section 5.8 of the bylaws of the Wood Brook Homeowner's Association a regular meeting of the board was held on: August 15th at 6:00pm

Officers and Quorum: Present: Carrie Siatunnu, Karl Trippe, Wynona Atnip, Kelsey Krafka, Mark Drake, and Persia Burgess with Beal Properties. Karl Trippe called the meeting to order at 6:00pm

Meeting Minutes: The Board of Directors reviewed the previous board meeting minutes. There were not any changes that need to be made to the minutes.

Financial information: Persia Burgess with Beal presented the 2nd Quarter Financial Report which included the Cash Flow, Bill Detail, and the Reserve Account. There were only two questions from the board about the increase in costs, and one general maintenance repair. Karl made a motion to approve the Financial Report. Mark Seconded. All in favor.

Management Report: Persia Burgess presented the Management Report which provides updates on any Delinquencies, Violations, and any outstanding maintenance or ongoing projects for the complex. There was one question about the process of the exterior pest control service.

Unfinished Business: Persia Burgess and the board discussed the outstanding items down below:

Pool chairs: the board discussed purchasing additional pool chairs, and Wynona found a white pool chair that comes in a set of 6 for \$190.00/ each chair. A motion has been made to purchase 6 new chairs, Mark Seconded, Carrie opposed. Persia Burgess will find out the cost of shipping and present it to the board for approval.

Meeting Minutes: Kelsey Krafka can no longer do the meeting minutes, so Beal is offering a service to complete the meeting minutes for \$35.00/per hour depending on how long the meeting recording is. Carrie made a motion to have Beal record and take down the meeting minutes. Karl seconded. All in favor.

Free Little Library: The library has been approved in a past meeting, and Carrie will work with Beal on getting this set up.

New Business: Persia Burgess and the board discussed the new business items down below:

Chimney Caps: The chimney cap replacement has been approved, and the repairs need to be scheduled.

Parking Lot Repairs: Multiple quotes have been obtained in the past to replace the entire parking lot with concrete. The board would like Beal to get quotes on repairing the worst areas first.

WOOD BROOK HOMEOWNERS' ASSOCIATION
BOARD OF DIRECTORS MEETING
BEAL PROPERTIES INC.
3363 University Dr E Suite 215 Bryan, TX 77802

Landscaping: The current lawn crew is not trimming shrubs or removing dead shrubs like they should be. The board would like Beal to get quotes for a new landscaping company for the complex to minimize these issues.

Next Board Meeting: The next board meeting has been scheduled for October 3rd at 6:00pm

Adjournment: The meeting was adjourned at 6:51pm

Respectfully submitted: Beal Properties

Wood Brook Condominiums Management Report

Delinquency Status: At the end of September, the total outstanding amount owed to the association was \$2,085.41. Eight accounts make up the total balance mainly consisting of unpaid dues, and late fees that were added to the account.

Beal Properties has been actively following up with the delinquent account holders via phone, mail, and email and will continue to ensure that the accounts are addressed promptly and efficiently to collect the outstanding fees owed to the association.

Violation Report: There are currently 3 violations in progress that Beal would like to present to the board. The violations consist of unsightly items being left in the windows and in the common areas. Beal currently drives the complex to check for any possible violations and reaches out to the homeowners via email and mail to correct those items.

Maintenance Report: At the end of the 2nd quarter, Beal received 9 service requests mainly consisting of exterior general maintenance, exterior pest control, and a possible chimney cap leak after the new chimney caps were put on. As of today, all of the service requests have been addressed and completed. There are also a few projects that Beal and the Board are currently working on for the complex.

Projects in progress:

Parking Lot Repairs & Restriping
Tree Trimming & Removal
Roof Replacement

Beal would like to request your valuable input on any outstanding maintenance issues or future projects for the Association.

This proposal includes confidential data that shall not be disclosed outside of the Contractor and/or Owner and shall not be duplicated, used, or disclosed in whole or in part for any purpose other than to evaluate this proposal.

- Remove existing roofing and underlayment's to expose wood deck **(Building Code)**
(There are more than one layers of underlayment's that have not been removed during the previous roof replacements that should have been per the local building code)
- * Inspect wood deck and repair on an as needed basis. **(Each 4'x8' Sheet of Plywood \$100)**
- Provide and install new synthetic underlayment
- * Provide and install new oversized drip edge at perimeter of roof. **The existing drip edge is too short and does not span from fascia over the leading edge of the plywood deck.**
- Provide and install starter shingles on **eaves and rakes** (This ensures better performance of shingles during high winds and is recommended by the manufacturer's.
- * Provide and install new Architectural shingles to match the current shingle (Manufacturer, color and 110 mph application)
- Provide and install new three tab ridge to match the current manufacturer color and wind resistance (60 mph)
- * Provide and install new painted plumbing lead jacks **(Not rubber or neoprene that will dry out, break its seal, and leak)**
- Provide and install new ridgevent with 2.5" nails with baffles and 18 sq. Inches of Net Free Area per linear foot for attic venting
- Existing metal step flashings remain at sidewalls because they are tucked and fastened behind the vinyl siding. **If the step flashings are rusted and deteriorated, Ice/Watershield (Peel and Stick) will be installed to prevent leakage and a change order will be provided.**
- Existing metal headwall flashings to remain but will be fastened with neoprene screws to insure that remain secured to the roof deck.
- * Existing Chimney Flashings to remain (Step and Counter Flashings). If the step flashings and counter flashings are deteriorated and/or rusted, they must be replaced on a per case basis. It appears that some brick chimney flashings have been replaced but most have not. **The option to reflash the brick chimneys with new step flashing and 24 ga. counter flashings will be \$400/EACH.**

This proposal includes confidential data that shall not be disclosed outside of the Contractor and/or Owner and shall not be duplicated, used, or disclosed in whole or in part for any purpose other than to evaluate this proposal.
