Owners' Association Annual Meeting

September 10, 2016

Meeting was called to order at 10:15 a.m. and roll call was completed showing 9 owners were present or had given proxy. This did not meet a quorum and the Annual Meeting was then Adjourned at 10:20 a.m., after the proof of meeting announcement was reviewed. BVPM HOA Liaison, Bob Walker, was also in attendance. The Cripple Creek Owners Association 2016 Annual Meeting packet was made available to the owners present. Before the CCHOA Board meeting was called to order, the President asked the owners who were in attendance if they had any concerns, questions, etc., for the Board.

The Cripple Creek HOA Board meeting was called to order by the President at 10:30 a.m. Board members present were: Jim Blamer, Renee Blamer, Creighton Bennett, and Constance Van Zandt.

- 1. Renee moved that the Tele-Meeting Minutes of 08/20/16 be accepted as printed. Creighton seconded and the vote was unanimous.
- 2. Board of Directors Elections:
 - i. Jim made motion to re-elect Creighton Bennett to the Board of Directors for the 3 year term from 2016-2019. Renee seconded and the vote was unanimous.
 - ii. Renee informed current Board Members of Alicia Cowley's resignation.
- 3. Board of Directors Current Terms as follows:

i. Renee Blamer:

2014-2017

ii. Constance Van Zandt:

2015-2017 (filled an unexpired term)

iii. Creighton Bennett:

2016-2019

iv. Alicia Cowley:

2013-2016 (Resigned)

v. Jim Blamer:

2015-2018

- 4. The Board chose to reinstate the current officers by unanimous vote as listed below.
 - i. Renee Blamer President; nominated by Constance Van Zandt, seconded by Creighton Bennett.
 - ii. Open Vice President;
 - iii. Creighton Bennett Secretary; nominated by Jim Blamer, seconded by Constance Van Zandt.
 - iv. Constance Van Zandt Treasurer; nominated by Jim Blamer, seconded by Creighton Bennett.
- 5. The President informed any owner who would be interested in joining the HOA Board to please consider doing so, and, if interested to contact Bob Walker or Terry Thigpen of BVPM

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

and to provide a resume of prior experience. The Responsibilities of all Board members is keeping the best interest of all owners in mind when planning for expenditures and the future.

- 6. Prior email unanimous vote to accept and approve the <u>2014/2015 Audit</u> as presented to the Board via email was ratified and made a matter of record via a motion by Renee, seconded by Jim and approved by unanimous consent.
- 7. Prior email unanimous vote to pay in full the Annual premium for the <u>Complex Insurance</u>

 <u>Renewal</u> to avoid the finance charges was ratified and made a matter of record via a motion by Jim, seconded by Creighton and approved by unanimous consent.
- 8. Prior email unanimous vote to accept and approve the <u>2015 Tax Return</u> was ratified and made a matter of record via a motion by Renee, seconded by Constance and approved by unanimous consent.
- Prior email unanimous vote to address <u>two additional drainage issues</u> located near Unit #87 (Building #6) and Unit #33 (Building #2) was ratified and made a matter of record via a motion by Renee, seconded by Jim and approved by unanimous consent.
- 10. Prior email unanimous vote to purchase <u>6 New chaise lounge chairs</u> for the pool area was ratified and made a matter of record via a motion by Renee, seconded by Constance and approved by unanimous consent.

Old Business - Update - PENDING Items:

Renee provided an update on items that were approved and voted on at the previous meeting of 08/20/16.

- 1. <u>Dryer Ducts:</u> After speaking with Legal (Kassi Horner) it was determined that any Dryer Duct issue will be addressed on a case by case basis. (Any and All Duct cleaning is to be performed by Kevin Slaten with Steamatic of Brazos Valley.)
- 2. <u>Drainage Issues / Grading Munson Side:</u> All work along the Munson side of the property has been completed, including the installation of a sump pump in the area adjacent to unit #73.
- 3. <u>Laundry Room Space</u>: This space will remain closed due to vandalism and it becoming a Health and Safety issue of the complex. As funds become available, this space will be discussed in further detail. As of this meeting, it is placed permanently on hold until after all

Brazos Valley Property Management 903 S Texas Avenue, College Station, TX 77840

Business (979)764-2500 Fax (979)764-0508

other repairs have been completed throughout the complex. I.E., new/repair sidewalks, new landscape, and, new irrigation system.

- 4. Replacement Tree Building #11: Brazos Valley Tree Service, Tim Sandifer, owes the Complex a tree with a \$700.00 retail value. This tree is to be planted in the large square area at the end of Building 11, adjacent to the parking lot and the small retaining wall. The Board Approved tree is a <u>Chinese Pistache</u>. The tree roots will not affect the foundation of the building, has nice fall color and no grackle nests. Until the irrigation in this area, which also includes the new retaining walls and all of Buildings #10 and #11 can be reconfigured, the tree installation has been placed on hold.
- 5. <u>Irrigation Issue Building #11:</u> As previously recorded in the *Minutes of 08/20/16*, the Board has not received the requested proposal/bid for the scope of work needed to correct the issue of water pressure to adequately water the new plants and sod within the new retaining walls, and, the new tree referenced in Paragraph 4. Renee will follow-up with Bob.
- 6. <u>Parking Lot Small Retaining Wall:</u> The wall has been completed. Justin (Agscapes) needs to place sod on top of the wall to complete the project. Renee will ask Bob to once again contact Justin for a timeframe of completion.

7. Large Retaining Wall - Building 11:

- a. <u>Plants:</u> In August, it was determined that additional plants were needed within the retaining wall. After discussing with Justin (AgScapes), it was determined that funds were still available for additional plants. As previously recorded in *Minutes of 08/20/16*, this information was sent via email to Bob and Justin. However, the additional plants have not been planted as of this meeting. Renee will ask Bob to follow-up with Justin for a timeframe for completion.
- b. <u>Lower Sidewalk:</u> BVPM has received complaints of standing water on the sidewalk next to the wall. After discussions with Chris Peterson, Attorney, it was determined that Cripple Creek is not responsible for this "standing" water as we did not change the "grade" or the "flow" of the water in this area, and, the sidewalk is not Cripple Creek property. Bob has been in discussions with Justin (AgScapes) to place additional crushed granite at the base of the large wall. Just explained that if we build up the area with more granite, it will wash out like the rest. The issue is the sidewalk slopes toward the walls, with both ends of the sidewalk being higher than the center, causing a bowl effect. Justin recommended to grade it out by repacking the granite cutting an outlet through the curb (north) to get the water to flow into the

Brazos Valley Property Management 903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

parking lot, due to there not being enough of a slope variance to install any kind of a drain. Renee asked Bob to contact the adjacent complex to determine if Justin could indeed do the work in this area, as there seems to already be an "outlet" cut into the curb that Justin was referencing. (North side of building #11, closest to unit #155).

- 8. AgScapes Proposal #16020 Unit #33: Work is set to commence the week of October 10, 2016. (Building #2).
- 9. AgScapes Proposals #15105 and #15104: Due to other more pressing drainage issues (Units #33, #85, #87, and, warranty work on Munson) and the weather, re-grading along the Pea Gravel walkway and buildings #6 and #9 and the tennis courts have not been started. Renee will ask Bob to contact Justin (AgScapes) to provide us an update as soon as possible.
- 10. <u>Gutter Clean-Out:</u> Board is waiting for estimates/bids from BVPM from companies that can do this on a regular basis, so as to add the expense to the Budget.
- 11. <u>Building #3 Foundation Review:</u> Wilt Childers, Brazos Valley Solutions Foundation Repair, stated he would need to review this building 6 months after the removal of the large tree adjacent to the parking lot. It has been one year since removal of the tree. Renee has emailed Bob for follow-up.
- 12. <u>Follow-up to 08/19/16 Meeting with HOA Attorney:</u> Kassi has since left the law firm. The Board has been in discussions via telephone calls and emails with Chris Peterson to discuss the previous meeting questions and additional items.
 - (1) <u>Individual Unit Front Doors</u>: It was the Legal Opinion that the front door is the individual owner's responsibility. However, the HOA can enforce the type, color and maintenance of the door as previously recorded in the *Cripple Creek Rules & Regulations*. The specifications for the door can be found on the website.
 - (2) <u>Reciprocal Licensing Agreement</u>: Between Cripple Creek Partners and Martell Interests. This Agreement includes the parking spaces adjacent to building 5 and the "alley" between the complex and the Woodstone Shopping Center. The Board is trying to determine whose responsibility it is to maintain this area specifically and the cost of maintenance to this area for budgetary purposes. It is believed the majority of the traffic in this area is directly related to the shopping center, including larger and heavier delivery trucks.

New Items for Discussion:

- 1. <u>Reciprocal Licensing Agreement</u>: Chris Peterson, HOA Attorney, recommended the Board have a Title search completed before moving forward with his recommendations. Board is waiting for the Title search of the property to be completed then will discuss further.
- 2. <u>Mailbox Replacement:</u> Renee has asked Bob for 2 or 3 choices of possible replacement boxes for the Board to vote on.

Adjournment:

Motion to adjourn by Jim Blamer, seconded by Creighton Bennett and vote was unanimous. Meeting adjourned at 11:50a.m. by President Renee Blamer.

Minutes of CCHOA Board Tele-Meeting August 26, 2017 -- 6:30PM

Attendees: Renee Blamer and Creighton Bennett

Meeting was called to order by Renee at 6:30PM

Annual Meeting, Minutes Allready Hoproved.

Creighton moved that the minutes from the meeting of 06/17/17 be accepted as printed and Renee seconded. Approval was unanimous.

Update Old Items:

Renee provided an update on old, outstanding items.

AgScapes - Justin - Ongoing Approved Projects:

(1) AgScapes Proposals #15105 and #15104 pertaining to the re-grading along the Pea Gravel walkways and buildings #6 and #9. (Recap: The sole purpose of the re-grade was to move the water off of all of the sidewalks, starting from the north parking lot down between buildings 8 and 7, also that pool gate, and past 6 on both sides of the pea gravel sidewalk to the alley, and, to do the same on the other side of the tennis courts and building 9. Justin stated with the re-grading and the addition of the gutter extensions, none to minimal water would be "standing" on the sidewalks.)

On 3/16/17, Terry forwarded pictures to the Board of the involved areas where the re-grading was to have taken place. Nothing appeared to have been "regraded" just new sod was placed. Creighton traveled to the property to review AgScapes' work on 3/25/17 and did not approve the work. Terry was asked to contact Justin and have him redo the area.

On 04/20/17 Justin emailed Terry stating:

"We cut and repaired grades on both sides of the tennis court today. We still can't get sod in due to the rains. The sod farm still isn't cutting. It will probably be next week before they even attempt to cut. The soils are down and the new cuts are made. The old dead sod was pulled out and trashed. I measure the grades myself and supervised the cuts. If the measurements were within spec we left it, and if it was out we re-cut and regraded. Some of the areas were in, and some were as much as 5" out. The north side is graded out at a minimum 3.75% from the fence to the sidewalk. The south side cut is a swale. The interior cuts are 2.5%, and the movement is 3.5%. All that's left is to lay sod in those areas, and possibly clean up some areas that settle in. When the sod is delivered we'll clean up any settled areas, throw the sod and roll it in."

On 05/20/17, Creighton once again visited the property to review the "new" work completed by Justin on 04/20/17. Again, not done to specifications. Creighton spray

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

painted the areas that needed to be redone. Terry was once again asked to contact Justin. The Board will not release the final check for this project until the issue is corrected. As of this meeting, Terry has not been able to have further contact with Justin. *Not Completed*.

- 2. <u>Water Pressure/Irrigation Issue Building #11:</u> As previously recorded, the Board has not received the requested proposal/bid for the scope of work needed to correct the issue of <u>water pressure</u> to adequately water the new plants and sod within the new retaining walls, and, the new replacement tree (referenced in Paragraph 4 Annual Minutes 09/10/16). **Not completed.**
- 3. Replacement Tree Building #11: Brazos Valley Tree Service, Tim Sandifer, owes the Complex a tree with a \$700.00 retail value. This tree is to be planted in the large square area at the end of Building 11, adjacent to the parking lot and the small retaining wall. The Board Approved tree is a *Chinese Pistache*. The tree roots will not affect the foundation of the building, has nice fall color and no grackle nests. Until the irrigation in this area, which also includes the new retaining walls and all of Buildings #10 and #11 can be reconfigured, the tree installation has been placed on hold. *Not completed until Water Pressure/Irrigation Issue/Water Pressure is completed.*
- 4. <u>Gutter Clean-Out:</u> Board had requested BVPM to obtain estimates/bids from at least two separate companies that can do this on a regular basis, so as to add the expense to the Budget. **Not completed**.
- 5. <u>Building #3 Foundation Review:</u> BVPM was to have contacted Wilt Childers, Brazos Valley Solutions Foundation Repair, to review the foundation of this building 6 months after the removal of the large tree adjacent to the parking lot that was affecting the foundation. It has been almost two years since removal of the tree. This needs to be scheduled. *Not completed.*
- 6. <u>Reciprocal Licensing Agreement</u>: **To recap**: Between *Cripple Creek Partners* and *Martell Interests*. Renee sent an email to the HOA's previous attorney, Chris Peterson, on 10/04/16, outlining what was discussed at the Board's meeting of 10/02/16. In an email dated 11/16/16, Mr. Peterson asked for extended period of time to provide the Board with the information that was requested. On 01/06/17, BVPM 903 Texas Ave South, College Station, Tx. 77840 979-764-2500

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

informed Renee via email that BVPM and thus the Association, had a new law firm due to the Peterson Law Group's response time to pressing issues and not being available on a timely basis. The new law firm is The Rife Law Firm.

On 02/14/17, Terry Thigpen had a meeting with Wayne Rife to discuss the Agreement.

On 05/25/17, Terry emailed Creighton to please call the attorney regarding this matter. Creighton has left messages, but as of the date of this meeting, no communication has been received from the attorney in this regard!! Renee will follow-up with Terry.

- 7. <u>Mailbox Replacement:</u> The new mailboxes have been installed and the finish out of the mailroom was completed on 08/09/17. All of the mailboxes, including the larger package boxes, are now all within the one room. TLC was also able to install the lockable notice board at the back of the building. New flooring was also added at a cost of \$797.37. The cost of the new mailboxes was \$6,486.34, installation and finish out cost was \$3,200.00. Total cost for this project was: \$10,487.71. **Project Complete**.
- 8. <u>Laundry Room Space</u>: This space will remain closed due to vandalism and it becoming a Health and Safety issue of the complex. As funds become available, this space will be discussed in further detail. As of this meeting, it is placed permanently on hold until after all other repairs and/or updates have been completed throughout the complex. (Examples: new drought resistant landscape; new irrigation system; and, finish the repair of old sidewalks and/or install new.)
- 9. <u>Violation Log Rules & Regulations:</u> Renee had asked BVPM over the past year to have a better record/recording/paper trail of tenant and/or owner Violations of the Rules & Regulations of the complex. Renee and Toni finalized the format of this Log and the first official Log was completed in November.

This Log is used to keep track of an individual unit's violations and subsequent fines and possible attorney involvement if the violation is not corrected. Since in many cases the fines increase depending on the number of violations or the delay in correcting the violation, it is necessary to maintain a record of each violation and by unit number. Also, this Log (paper trial) is necessary should the HOA need to institute legal action against an owner (tenant is owner responsibility).

The Log is to be emailed to the Board/President every other week, as the timeframe for a violation correction is 14 days. This is an ongoing project that needs to

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

be monitored in order to maintain the uniformity and aesthetic look of the complex, thereby keeping the property values in line with the surrounding area. **Project Ongoing.**

Pending Projects - Waiting for Bids/Estimates:

- 1. New Landscape Design: The Board has asked BVPM to obtain at least two bids from two different Landscape Architects (versus our current landscape maintenance company) to design a **drought resistant** landscape for the complex. The funds are available in the Reserve Account to hopefully complete not only this project, but the new irrigation system, and, to finish the sidewalk project. Terry has stated that he is having a difficult time receiving any bids for this project, but is continually searching for an architect.
- 2. <u>New Irrigation System:</u> This bid/estimate and design will need to coincide with the New Landscape Design.
- 3. <u>Sidewalks New or Finish Repair</u>: This project will also need to coincide with the installation of the new landscape and the new irrigation system. Sidewalks should be done last.

New Items Approved / Voted via emails/telephone:

- 1. Prior email unanimous vote on 06/21/17 to accept and approve the <u>2016 Audit</u> as presented to the Board via email was ratified and made a matter of record via a motion by Renee, seconded by Creighton and approved by unanimous consent.
- 2. Prior email unanimous vote on 06/21/17 to accept and approve the <u>2016 Tax</u> <u>Return</u> was ratified and made a matter of record via a motion by Renee, seconded by Creighton and approved by unanimous consent.
- 3. Prior email unanimous vote on 07/27/17 to renew the <u>Complex Fidelity & Forgery Bond</u> was ratified and made a matter of record via a motion by Renee, seconded by Creighton and approved by unanimous consent.

Adjournment:

Creighton moved to adjourn. Renee seconded and motion was unanimous at 7:30PM.

On 05/25/17, Terry emailed Creighton to please call the attorney regarding this matter. Creighton has left messages, but as of the date of this meeting, no communication has been received from the attorney in this regard!! Renee will follow-up with Terry.

- 7. <u>Mailbox Replacement:</u> Renee had requested BVPM to provide the Board with two or three choices of possible replacement boxes for the Board to vote on. In May, Toni Myers provided an email with specs for new mailboxes for a total price of \$6,000 plus tax and shipping, for 8 units. Additionally, TLC Maintenance provided an estimate of \$3,220. for installation and finish out, with an estimate for new flooring to come later. Renee moved to place an order for the mailboxes chosen by BVPM for the space and to accept TLC's bid for installation and finish out. Creighton seconded. <u>Approval was unanimous.</u>
- 8. <u>Violation Log Rules & Regulations:</u> Renee had asked BVPM over the past year to have a better record/recording/paper trail of tenant and/or owner Violations of the Rules & Regulations of the complex. New Items Approved / Voted via emails/telephone:

- 1. On 06/06/17, Terry informed the Board that water was once again seeping into unit #85 through the weep holes of building #6. He contacted our current landscape maintenance company, Gilbert Castillo, to obtain a scope of the work and estimated cost to alleviate the water in this area. The total cost of the project was \$1,082.51. The plan is to dig down below the weep holes and away from the building and then to add a layer of rock along the entire building towards the tennis courts and around the AC units. Creighton approved the project and the estimate. Renee seconded. Approval was unanimous. Project Completed.
- 2. Prior email unanimous vote on 06/12/17 to pay in full the Annual premium of \$41,371.74 for the <u>Complex Insurance Renewal</u> to avoid the finance charges was ratified and made a matter of record via a motion by Renee, seconded by Constance and approved by unanimous consent.
- 3. Constance Van Zandt resigned from her position of Treasurer of the Board of Directors effective today, June 17, 2017, due to the selling of both of her units. Renee will inform BVPM that the Board is in need of new members and officers.

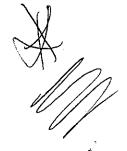

Adjournment:

Creighton moved to adjourn. Renee seconded and motion was unanimous at 7:30PM.

Minutes of CCHOA Board Tele-Meeting March 26, 2017 -- 10:00AM

Attendees: Renee Blamer, Creighton Bennett, and Constance Van Zandt

Meeting was called to order by Renee at 10:00AM

Creighton moved that the minutes from the meeting of 12/12/16 be accepted as printed and Constance seconded. Approval was unanimous.

Update Old Items:

Renee provided an update on old, outstanding items.

- President Position: On 03/14/17, Terry Thigpen received an email from Jana Beddingfield, Attorney, Rife Law Firm, stating:
 - "Sec. 3.1 of the Cripple Creek by-laws states that an individual's membership in the Condo Association terminates as soon as they cease to own a condominium unit. Thus, as soon as Ms. Blamer closed on the sale of her last unit, she no longer is a member of the Condo Association.

Sec. 4.2 of the by-laws states "The Owners of the Units will constitute the Association of Unit Owners, hereinafter referred to as "Association", who will have the responsibility of administering the Condominium Project through a Board of Directors." Although it could be implied, there is nothing in the by-laws that specifically says the Board of Directors must be comprised of Owners, just that the Owners administer the condos through a board of directors. Other than the liability that any board member has while acting in that role. I do not think she has any additional liability by not being a condo owner.

With the above confirmation from the HOA Attorney, Constance made a motion for Renee Blamer to continue in the role of President. Creighton seconded. Approval was unanimous.

- **AgScapes Justin Ongoing Approved Projects:** 2.
- Small retaining wall Building 11: Justin needs to place sod on top of the wall to complete this project. Not Completed.
 - Large retaining wall Building 11:
- (a) Plants: Justin still needs to add the additional plants and replace the dead plants within the wall. This information was sent to Bob Walker and Justin via emails and noted in the 08/20/16 Minutes. Justin informed Terry via email, that he had placed the correct number of plants within the wall and states he was never informed by

979-764-2500

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

Bob Walker or Creighton to install additional plants. Justin also stated the budget for plants was used during the initial installation and if we wanted more, we would be invoiced for additional plants. Justin stated the large retaining wall was a "closed project".

Renee will ask Terry to contact Justin one more time to try to have AgScapes at least replace the plants within the retaining wall that had died last August. However, due to the ongoing issues that BVPM and the HOA seem to be having with Justin/AgScapes completing all of his ongoing projects throughout the property, Renee moved to close the Large Retaining Wall project, believing that Justin will never replace the 3 or 4 plants that didn't survive the heat of last August. Creighton seconded.

Approval was unanimous.

(b) <u>Drainage Lower Sidewalk:</u> Bob Walker spoke with the property manager of the adjacent complex, Victoria, via emails and received approval for Justin to cut through the curb of their parking lot (which is directly on our property line) to help alleviate the run-off. Once Justin cuts through that curb, he will then grade out the existing crushed granite and repack additional granite at the base of the new large retaining wall. Justin was to provide Bob with an estimate for this project. As of this meeting, an estimate has not been provided.

Due to the legal opinion of our previous attorney, Chris Peterson, determining that Cripple Creek was not responsible for the "standing" water on this lower sidewalk as we did not change the "grade" or the "flow" of the water in this area and that the sidewalk is not on Cripple Creek property, Renee moved that we do not move forward with this expense or project. Creighton seconded. Approval was unanimous.

- (3) AgScapes Proposal #16020 Unit #33: Work began on 10/12/16 and is **now completed**. (Building #2).
- (4) AgScapes Proposals #15105 and #15104 pertaining to the re-grading along the Pea Gravel walkways and buildings #6 and #9. (**Recap**: The sole purpose of the re-grade was to move the water off of all of the sidewalks, starting from the north parking lot down between buildings 8 and 7, also that pool gate, and past 6 on both sides of the pea gravel sidewalk to the alley, and, to do the same on the other side of the tennis courts and building 9. Justin stated with the re-grading and the addition of the gutter extensions, none to minimal water would be "standing" on the sidewalks.)

On 3/16/17, Terry forwarded pictures to the Board of the involved areas where the re-grading was to have taken place. Nothing appeared to have been "re-graded" just new sod was placed. Creighton traveled to the property to review

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

AgScapes' work on 3/25/17 and did not approve the work. Terry was asked to contact Justin and have him redo the area. **Not completed.**

- 3. <u>Water Pressure/Irrigation Issue Building #11:</u> As previously recorded, the Board has not received the requested proposal/bid for the scope of work needed to correct the issue of <u>water pressure</u> to adequately water the new plants and sod within the new retaining walls, and, the new replacement tree (referenced in Paragraph 4 Annual Minutes 09/10/16). **Not completed.**
- 4. Replacement Tree Building #11: Brazos Valley Tree Service, Tim Sandifer, owes the Complex a tree with a \$700.00 retail value. This tree is to be planted in the large square area at the south end of Building 11, adjacent to the parking lot and the small retaining wall. The Board Approved tree is a *Chinese Pistache*. The tree roots will not affect the foundation of the building, has nice fall color and no grackle nests. Until the irrigation in this area, which also includes the new retaining walls and all of Buildings #10 and #11 can be reconfigured, the tree installation has been placed on hold. *Not completed until Water Pressure/Irrigation Issue is completed.*
- 5. <u>Gutter Clean-Out:</u> Board had requested BVPM to obtain estimates/bids from at least two separate companies that can do this on a regular basis to remove debris, so as to add the expense to the Budget. **Not completed**.
- 6. <u>Building #3 Foundation Review:</u> BVPM was to have contacted Wilt Childers, Brazos Valley Solutions Foundation Repair, to review the foundation of this building six months after the removal of the large tree adjacent to the parking lot. It has been almost two years since removal of the tree. **Not completed.**
- 7. <u>Reciprocal Licensing Agreement</u>: <u>To recap</u>: Between *Cripple Creek Partners* and *Martell Interests*. Renee sent an email to our attorney, Chris Peterson on 10/04/16, outlining what was discussed at the Board's meeting of 10/02/16. In an email dated 11/16/16, Mr. Peterson asked for extended time to provide the Board with the information we requested. On 01/06/17, BVPM informed Renee via email that BVPM and, thus the Association, had a new law firm due to the Peterson Law Group's

903 \$ Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

response time to pressing issues and not being available on a timely basis. The new law firm is The Rife Law Firm.

On 02/14/17, Terry Thigpen had a meeting with Wayne Rife to discuss the Agreement. As of this meeting, we have received no update on the questions the Board presented.

8. <u>Mailbox Replacement:</u> Renee had requested Bob to provide the Board with two or three choices of possible replacement boxes for the Board to vote on.

New Items Approved / Voted via emails/telephone:

- 1. Warren Thompson, owner of our landscape maintenance company Horizon Lawn & Irrigation passed away at the end of December. His family decided to sell the business to Gilbert Castillo, owner of Castillo Lawn & Irrigation. At this time, Castillo has agreed to continue on as the landscape maintenance company for the complex under the same contact terms as Horizon.
- 2. On 01/07/17, a two inch pipe / backflow preventer at the end of Building #5 froze and broke at the ground level. Holman's Plumbing made a temporary repair that day. Bob Walker emailed the Board an estimate for \$1,642 from Holman's Plumbing for a complete repair replacing the damaged backflow preventer and also modifying the one on University Oaks at Building #1 so that an insulated enclosure can be placed over both backflow preventers. Creighton asked Bob to obtain an estimate from our landscape maintenance company, as they are a licensed irrigator and can also repair the damaged backflow preventer, and, he also asked to have a double check valve installed. The estimate from Gilbert Castillo was for \$900 plus tax. Creighton approved the estimate and the repair was made. Project completed.
- 3. Bob Walker is no longer the HOA Coordinator, effective 02/01/17. Terry Thigpen will once again be assuming the role. Bob will continue with C21 in sales and he will be taking over the Porter service for the complex and also the hauling away of bulk/large items that are left next to the dumpster. Mel Morgan will be working for BVPM and will be their employee that will be "walking" Cripple Creek looking for Violations of the Rules & Regulations and a general eye on the property as a whole. Toni Myers will be handling the accounting and the day to day operations with Terry.
- 4. <u>LED Security Lights Property Wide:</u> Renee had asked for the HOA maintenance company, TLC Maintenance, Jon Carroll, to provide the Board with an estimate to BVPM 903 Texas Ave South, College Station, Tx. 77840 979-764-2500

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

replace all of the old big security/building lights with LED lights. Jon is a licensed electrician. The estimate, including the rental of a lift truck, was \$13,400. Renee made a motion to accept the bid. Creighton seconded. **Approval was unanimous. Project completed.**

- 5. <u>Pool Gate Building #8:</u> Beach Brothers had to replace the lock at the gate closest to building #8 and building #7. Expense of \$742.61. **Project completed**.
- 6. Sump Pump Building #6 / Unit #85: To help alleviate the water runoff between buildings #6 and #7, and, between the transformer located at the corner of building #6 and Unit #85, Creighton and Justin (AgScapes) discussed installing a sump pump. AgScapes bid for this project was \$2,775. Creighton moved to accept the bid. Constance seconded. Approval was unanimous. Project completed.
- 7. <u>Violation Log Rules & Regulations:</u> Renee had asked BVPM over the past year to have a better record/recording/paper trail of tenant and/or owner Violations of the Rules & Regulations of the complex. Renee and Toni finalized the format of this Log and the first official Log was completed in November.

This Log is used to keep track of an individual unit's violations and subsequent fines and possible attorney involvement if the violation is not corrected. Since in many cases the fines increase depending on the number of violations or the delay in correcting the violation, it is necessary to maintain a record of each violation and by unit. Also, this Log (paper trial) is necessary should the HOA need to institute legal action against an owner (tenant is owner responsibility).

The Log is to be emailed to the Board/President every other week, as the timeframe for a violation correction is 14 days. This is an ongoing project that needs to be monitored in order to maintain the uniformity and aesthetic look of the complex, thereby keeping the property values in line with the surrounding area. **Project Ongoing.**

Minutes of CCHOA Board Tele-Meeting December 12, 2016 -- 4:30PM

Attendees: Renee Blamer, Creighton Bennett, and Constance Van Zandt

Meeting was called to order by Renee at 4:30 PM

Creighton moved that the minutes from the meeting of 10/02/16 be accepted as printed and Constance seconded. Approval was unanimous.

This meeting was specifically called to discuss the resignation of Renee Blamer from the Board of Directors and as President of the HOA due to the selling of her final unit.

Renee discussed with the Board her conversation with Terry Thigpen, BVPM, regarding continuing in the role of President through the first of the year. Renee agreed only if the current Board agreed and if the Association's attorney could ascertain through the by-laws that she could continue in the position of President of the Association, as needed until the next Annual Board meeting.

Constance made a motion for Renee to continue in the role of President pending approval from our attorney. Creighton seconded. Approval was unanimous.

Minutes of CCHOA Board Tele-Meeting October 2, 2016 -- 6:30PM

Attendees: Jim Blamer, Renee Blamer, Creighton Bennett, and Constance Van Zandt

Meeting was called to order by Renee at 6:41 PM

Creighton moved that the minutes from the Annual CCHOA Board meeting of 09/10/16 be accepted as printed and Constance seconded. Approval was unanimous.

This Board meeting was specifically called to discuss the <u>Reciprocal Licensing Agreement</u>: <u>To recap</u>: This Agreement is between <u>Cripple Creek Partners</u> and <u>Martell Interests</u>. This Agreement includes the parking spaces adjacent to building #5 and the "alley" between the complex and the Woodstone Shopping Center. The Board is trying to determine whose responsibility it is to maintain this area specifically and the cost of maintenance to this area for budgetary purposes. It is believed the majority of the traffic in this area is directly related to the shopping center, including larger and heavier delivery trucks.

The HOA attorney, Chris Patterson, recommended that we obtain a Title search of the property and the Agreement. This search was completed by Chad Kolbe of Aggieland Title on 09/15/16. Following is the information Mr. Kolbe emailed to Mr. Peterson, and Mr. Peterson forwarded onto Renee:

" Mr. Peterson-

I have completed the title search you requested regarding the parking spots for Cripple Creek Condos that encroach into the Woodstone Shopping Center/Martell Interests property. A Reciprocal License Agreement by and between Cripple Creek Partners, Ltd. and Martell Interest, recorded in Volume 493, page 800, Deed Records of Brazos County, Texas, gives Cripple Creek Partners Ltd. a license to permit the existing encroachment of six (6) parking spaces onto the Martell property. In an Assignment of License Agreement, Cripple Creek Partners, Ltd. assigns, conveys and transfers unto Stanford Associates, Inc. all of its right, title and interest in and to said license (493/800), that agreement being recorded in Volume 712, page 140, Deed Records of Brazos County, Texas. There have been no other conveyances, terminations, assignments, easements, or recordings of any kind pertaining to the encroachment of the six parking spots subsequent to Stanford Associates, Inc. being assigned the rights to this encroachment license. I have attached the two documents referenced above along with your invoice. Please let me know if there's anything else you need. Sincerely, *Chad Kolbe* Title Examiner"

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

After reviewing the results of the Title search, Jim and Renee spoke with Chris Peterson by phone on 09/26/16 to discuss the Board's options moving forward. The discussion with Mr. Peterson included the following:

- (1) We can revoke the *Agreement* because there is no easement and inform them they can no longer use.
- (2) Agreement cannot be "grandfathered", because it has always been there.
- (3) Do Nothing and continue as is.
- (4) Woodstone property and Cripple Creek property still partly owned by *Martell Interests*.
- (5) The HOA needs to know the value of the 6 parking spaces across from building 5 at Munson, and, the value of the parking spaces directly adjacent to the Woodstone shopping center, as the Cripple Creek property line ends at the curb of the shopping center. (All parking spaces are on Cripple Creek property.) Mr. Peterson stated he would obtain this information on value and coordinate with Bob Walker and/or Terry Thigpen.
- (6) Mr. Peterson suggested we submit a "nice" or "soft" letter to *Martell Interests*, with a one week response time from them. If no response, start the process of revoking the agreement.

Additional discussion by this Board during this meeting included the following options:

- (1) Renegotiate the current *Agreement*, but make *Martell Interests* responsible for the maintenance of the parking spaces and the "alley".
- (2) Sell *Martell Interests* a portion of the "alley" from where the parking spaces end that are adjacent to our physical property to the end of the curb adjacent to the shopping center property, with them granting us an easement.
 - (3) Split the property down the middle of the "alley".
 - (4) Retain ownership. Have Martell Interests pay an annual fee for use.

Creighton moved that the Board retain ownership of the property involved in this *Agreement* and to charge a fee for use. Constance seconded. Approval was unanimous. The vote was also unanimous for our attorney to move forward with sending a "soft" letter to *Martell* Interests with our intentions noted.

Renee will send Mr. Peterson (attorney) a letter via email informing him as to the Board's decision: A renegotiation of the *Licensing Agreement* granting *Martell Interests* (Woodstone shopping center) an easement for restricted use of the alley for an annual fee. We would like to restrict the weight of the vehicles using the alley as the heavier vehicles cause more damage. We would also like to restrict the use of the alley for

903 S Texas Avenue, College Station, TX 77840 Business (979)764-2500 Fax (979)764-0508

loading and unloading when there is other available space for the shopping center to receive deliveries.

Renee will also ask Mr. Peterson to coordinate with Terry Thigpen and Bob Walker to provide estimates on the property value of the land/property within the *Agreement* if we decided to sell it outright. This will help facilitate the decision on much the annual fee should be.

In other business, Jim Blamer resigned his Board Member position effective today, 10/02/16, due to the selling of his other units. However, since his family still owns one unit, he will be available for additional discussions if needed.

Adjournment:

Renee moved to adjourn. Constance seconded and motion was unanimous at 7:30PM.

Cripple Creek Property Owner,

Your unit has been identified as having a wood enclosure around the patio area in front of the unit. As such, you and/or your tenant are responsible for maintaining the appearance and/or upkeep of the actual enclosure, including the walls/sides of the enclosure and any decking material within the enclosure itself. The entire area within the enclosure should be kept free of all weeds and any grass should be cut regularly. Potted plants are allowed inside the enclosure, however, *cannot* grow above the walls of the enclosure. Additionally, no plants/flowers, etc., can be planted in the ground within the enclosure. If there is an existing wood deck or other decking material within the enclosure, this is also the owner's/ tenant's responsibility to maintain. The enclosure's sides or decking *cannot* be attached to building itself. Nothing within the enclosure can be attached to any part of the Hardie Siding of the building. Attaching it to the building will result in a fine and the expense of any repairs made by our maintenance company to detach from the building will be added to the owner's HOA account.

If you prefer, the enclosure and any decking material up to the concrete patio can be removed at the owner's expense. However, once an enclosure is removed, it *cannot* be replaced.

Should you have any questions, please feel free to contact Toni Myers at the BVPM office listed above.

that there will be amounts collected but they are not reflected as part of the budgeting process. Revenue for 2014 includes only dues and no fine, interest or Past Due collection amounts as there is no certainty that any of those will be applicable. Past experience indicates

¹Includes Interest, Late Fees, Fines, Transfers, Past Due Collections ²Includes Trash Pick Up and Sprinkler Operation

³Includes regular ant & pest spraying plus Bat and other pest control

^{*}Costs expected to decrease due to claim for fire rolling from underwriting criteria dates

⁵Plumbing Expenses included replacement/repair of Water Heaters that will be rolled into Special projects as these will be moving to an interior location within the next year.

⁶Other Maintenance 2013 includes costs more properly allocated under special projects and will be moved there in future accounting records

⁷Special Projects in 2013 included foundation repair on Buildings 10 & 11, plus interior repairs resulting from that action. It should have also included removal of archways and other activities accounted for in Other Maintenance.
