

SPECIAL BOARD MEETING  
JULY 21,2022 5:30PM

The meeting was called to order at 5:30 pm. In attendance were Erin Bostic, Jeremy Beckmann, JoAnn Johnson, Sandi Boriski and Toni Myers with Beal Properties.

Items discussed were the repairs needed for insurance purposes, including foundation and parking lot. We all agreed that the foundation and parking lot are in need of repair. The board came to an agreement on a vendor for the parking lot work. All of us agreed that in order to accomplish the work that needs to be done we would need a refinance/extension on our existing loan. As we all would rather have long term beneficial results apposed to picking a cheap short term solution.

The Board voted and approved to refinance the loan with Prosperity Bank for approximately \$40,000.00 for the alleyway and foundation repairs.

The meeting closed at 6:35pm
