Below is a list of guidelines for your weekly trash service:

- All trash must be in trash bags inside the carts. The carts must be placed roadside by 7:30 am on your day of service. The driver can come through anytime after that and his timing may vary from week to week.
- The driver will only pickup what is inside the cart. Do not place bags next to or on top of the carts. Also, please keep the cart lids closed. This will keep water from accumulating in the container.
- Only normal household garbage can be picked up –i.e. no brush, wood products, lumber, sawdust, grass clippings, construction/remodel debris, roofing/building materials, metal, bulky items (tires, furniture, appliances, carpet, etc.), liquid waste (oil, paint, grease, etc.), hazardous material (car batteries, pool chemicals, shotgun shells, bullets, etc.)
- Cardboard boxes are the exception. We do accept them, and they don't have to be in bags, but we do ask that they be broken down.

If you have any questions, please contact us at 979-822-5826.
