RE: The Hollow Community Foundation
File Number: 802458807

It has been our pleasure to file the certificate of formation and issue the enclosed certificate of filing evidencing the existence of the newly created nonprofit corporation.

Nonprofit corporations do not automatically qualify for an exemption from federal and state taxes. Shortly, the Comptroller of Public Accounts will be contacting the corporation at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the corporation. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <http://window.state.tx.us/taxinfo/franchise/index.html>. For information on state tax exemption, including applications and publications, visit the Comptroller's Exempt Organizations web site at <http://window.state.tx.us/taxinfo/exempt/index.html>. Information on exemption from federal taxes is available from the Internal Revenue Service web site at www.irs.gov.

Nonprofit corporations do not file annual reports with the Secretary of State, but do file a report not more often than once every four years as requested by the Secretary. It is important for the corporation to continuously maintain a registered agent and office in Texas as this is the address to which the Secretary of State will send a request to file a periodic report. Failure to maintain a registered agent or office in Texas, failure to file a change to the agent or office information, or failure to file a report when requested may result in the involuntary termination of the corporation. Additionally, a nonprofit corporation will file documents with the Secretary of State if the corporation needs to amend one of the provisions in its certificate of formation. If we can be of further service at any time, please let us know.

Sincerely,

Corporations Section
